ABOUT US: Mt. Scott Learning Center is a nonprofit options high school working to re-engage students whose needs were not being met in a larger, traditional high school setting. Our students report having previously felt overlooked, overwhelmed, and misunderstood, all of which contributed to them not being able to fulfill their potential. We believe our greatest strength is in the relationships we build—between teachers and students, between staff and families, and among colleagues. Our student body is a diverse community with unique learning needs and a wide variety of skills and challenges. They are what drives us. We are proud to maintain a graduation rate of over 90%, and one of the lowest dropout rates in the Portland area.
